lunch'n learn

January-June 2025

Continuing Education Calendar

Periodically, pharmacists, and pharmacy technicians at **Premier Continuum of Care (CoC)** member organizations are invited to participate in live, knowledge-based, continuing education (CE) activities – Lunch 'N Learn (LNL) CE. The CE activities are provided as teleconferences/webinars on topics that are based on member needs assessment surveys, new guidelines or regulation updates, and new findings in the medical literature. **All CE offerings are fully funded by Premier CoC and are free to Premier CoC members.** Please share this CE calendar with your pharmacy staff, so that all staff can view the upcoming CE program offerings.

Additionally, we offer home-study CE activities and in-person live CE activities – these are listed below.

All activities are identified by the corresponding icon, so that a member can easily locate an LNL, home-study, or in-person live CE activity below.
