How to obtain CE credit

1. Log on to <https://ce.continuumofcare.premierinc.com>
2. Click on the icon that corresponds to the Home-Study CE activity
3. Register for that Home-Study CE activity
4. View and listen to the recorded activity in its entirety
5. Complete both the learning assessment questions and the activity evaluation.

Note: A passing grade of 70% or better is required to receive CE credit. Three opportunities will be provided to successfully complete the post-test.

Once all steps above are completed, credit will be transferred to CPE Monitor.

For any questions, please contact Liya Davydov, Senior Director, Clinical Pharmacy Services at Liya_Davydov@premierinc.com
