How to obtain CE credit

1. Log on to our [CE website](#).
2. Click on the Home-Study CE icon.
3. Register for that CE activity.
4. Watch the entire recorded activity.
5. Complete both the learning assessment questions and the activity evaluation.

Note: A **passing grade of 70% or better** is required to receive CE credit. Three opportunities will be provided to successfully complete the post-test. Once all steps above are completed, credit will be transferred to CPE Monitor.
