2023 KNOWLEDGE-BASED HOME-STUDY CE FOR PHARMACISTS AND PHARMACY TECHNICIANS

DSCSA and the Standards to Support It

Speaker: Tracy Nasarenko, BS Accounting, MBA, Senior Director, Community Engagement, GS1 US, Ewing, NJ

Learning Objectives (for Pharmacists and Pharmacy Technicians)

Upon completion of this CE activity, the participant will be able to do the following:

- Summarize the standards to meet identification and traceability requirements through drug distribution in the United States.
- Describe the purpose and function of Global Location Numbers (GLN).
- Identify the most appropriate owner of GLN maintenance.
- Describe options to fulfill data sharing requirements through drug distribution in the United States.

Accreditation Information:

ACPE UAN: 0122-0000-23-078-H03-P/T

CPE Credit Hours: 1.0 hour (0.1 CEU) of home-study CE credit

Release Date: October 9, 2023

Expiration Date: October 9, 2024

Disclosures: Ms. Nasarenko, the moderators and planners for this activity do not have relevant financial relationships to disclose with ineligible companies.

Sponsorship: This program is conducted solely by Premier and has no commercial or non-commercial support or sponsorship.

System Requirements to Access the Webcast: [Click here](#) to view CE webcast system requirements for the learner to complete the online activity, including the internet browser(s) supported and minimum versions of each, and the minimum memory, storage, processor, and internet.

How to obtain CE credit:

1. Log on to <https://ce.continuumofcare.premierinc.com>
2. Click on the icon that corresponds to this Home-Study CE activity
3. Register for that Home-Study CE activity (**IMPORTANT:** make sure to choose the program that corresponds to your profession, i.e., a pharmacist or a pharmacy technician)
4. View and listen to the recorded activity in its entirety
5. Complete both the learning assessment questions and the activity evaluation.

Note: A passing grade of 65% or better is required to receive CE credit. Three opportunities will be provided to successfully complete the post-test. Once all steps above are completed, participation will be provided to CPE Monitor.

Premier, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This CE activity is provided as a free, value-added service to Premier health-system pharmacy staff.

For any questions regarding the CE activity, please contact Liya Davydov, at Liya_Davydov@premierinc.com

Speaker Bio:

Tracy Nasarenko, BS Accounting, MBA Senior Director of Community Engagement at GS1 US, is an accomplished leader with more than 20 years of experience in healthcare and pharmaceutical supply chain, finance, product management, marketing, and operations.

In her current role, Ms. Nasarenko leads a collaborative pharmaceutical industry group focused on addressing supply chain challenges and meeting the requirement of the Drug Supply Chain Security Act (DSCSA). Using GS1 Standards, the most widely used supply chain standards in the world, Ms. Nasarenko guides the implementation of these standards to help the pharmaceutical industry deliver safe products to patients.

Prior to joining GS1 US, Ms. Nasarenko held several leadership positions with SPI Pharma Inc. Most recently, she served as a site general manager, overseeing end-to-end operations and the performance of the entire team, where she built a culture of engagement, innovation, and collaboration.

Ms. Nasarenko earned her bachelor's degree from Villanova University and her Master of Business Administration from West Chester University.

Ms. Nasarenko, the moderator and CE planners of this activity have no relevant financial relationship(s) with ineligible companies to declare.
