

## 2023 KNOWLEDGE-BASED HOME-STUDY CE FOR PHARMACISTS AND PHARMACY TECHNICIANS

### Changes in Sterile Compounding and Hazardous Drug Standards: What's New in 2023 for USP Chapters <797> and <800>?

**Speaker:**

**Patricia C. Kienle, RPh, MPA, BCSCP, Director, Accreditation and Medication Safety  
Cardinal Health, Stafford, Texas**

Upon completion of this CE activity, the participant will be able to do the following:

**Learning Objectives (for pharmacists and pharmacy technicians):**

- Identify the date by which facilities must be compliant with revised USP <797>
- List the initial and requalifying personnel requirements for sterile compounding
- List the two facility designs that can be used for compounding sterile preparations
- State the type of hazardous drugs that cannot be entity exempt from the requirements in USP <800>
- Identify the frequency of required environmental monitoring of facilities used for sterile compounding

**Accreditation Information:**

**ACPE UAN:** 0122-0000-23-038-H07-P/T (Compounding CE)

**CPE Credit Hours:** 1.0 hour (0.1 CEU) of home-study CE credit

**Release Date:** May 22, 2023

**Expiration Date:** May 22, 2024

**Sponsorship:** This program is conducted solely by Premier and has no commercial or non-commercial support or sponsorship.

**System Requirements to Access the Webcast:** **Click here** to view CE webcast system requirements for the learner to complete the online activity, including the internet browser(s) supported and minimum versions of each, and the minimum memory, storage, processor, and internet.

**How to obtain CE credit**

1. Log on to <https://ce.continuumofcare.premierinc.com>
2. Click on the icon that corresponds to this Home-Study CE activity
3. Register for that Home-Study CE activity
4. View and listen to the recorded activity in its entirety
5. Complete both the learning assessment questions and the activity evaluation.

**Note:** A passing grade of **70%** or better is required to receive CE credit. Three opportunities will be provided to successfully complete the post-test.

Once all steps above are completed, participation will be provided to CPE Monitor.

For any questions, please contact Liya Davydov, Senior Director, Clinical Pharmacy Services at [Liya\\_Davydov@premierinc.com](mailto:Liya_Davydov@premierinc.com)

Premier, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This CE activity is provided as a free, value-added service to Premier Continuum of Care pharmacy staff.

## Speakers Bio:

**Patricia Kienle** is the Director of Accreditation and Medication Safety for Cardinal Health.

She received her pharmacy degree from the Philadelphia College of Pharmacy and Science and a Masters in Public Administration from Marywood University in Scranton, Pennsylvania. She is Board Certified as a Sterile Compounding Pharmacist, completed an Executive Fellowship in Patient Safety from Virginia Commonwealth University in Richmond, Virginia, and is an Adjunct Clinical Faculty member at Wilkes University in Wilkes-Barre, Pennsylvania.

She is a Fellow of ASHP, was named Pharmacist of the Year by PSHP, and is the recipient of several other professional awards. She is a current member of the USP Compounding Expert Committee.

Patti is the author of several guides/answer books pertaining to sterile compounding standards. With over 600 invited presentations and 100 publications, she has special interests in promoting medication safety, compounding sterile preparations, accreditation, and regulatory issues.
