**To participate and obtain CE credit, participants must complete the following steps:**

### How to obtain CE credit

1. Log on to <https://ce.continuumofcare.premierinc.com>
2. Click on the icon that corresponds to this Home-Study CE activity
3. Register for that Home-Study CE activity (**IMPORTANT**: make sure to choose the program that corresponds to your profession, i.e., a pharmacist or a pharmacy technician)
4. View and listen to the recorded activity in its entirety
5. Complete both the learning assessment questions and the activity evaluation.

**Note:** A passing grade of **70%** or better is required to receive CE credit. Three opportunities will be provided to successfully complete the post-test.

Premier, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This CE activity is provided as a free, value-added service to Premier Continuum of Care pharmacy staff.

### Speaker Bio:

**Dr. Davydov** is a Senior Director of Clinical Pharmacy Services and is responsible for managing clinical pharmacy services for Premier's Continuum of Care (COC) division. In addition to supporting COC members, Premier Sponsors, and COC affiliate members, she provides clinical support and education to the Premier COC sales, business development, and contracting teams serving the various markets that fall under Premier's COC division. She developed and maintains the division's web-based Drug Intelligence program, keeping members and internal staff armed with up-to-date information on newly approved drugs, and upcoming drugs in the pipeline. Dr. Davydov also coordinates all of the division's continuing education programs for members, Sponsors, and affiliate members. Prior to joining Premier, she worked as a Clinical Pharmacy Manager at Fidelis Care New York, a managed Medicaid HMO in New York State. Prior to Fidelis Care New York, she held a Clinical Pharmacy Manager position at St. John's Episcopal Hospital.

Dr. Davydov earned both her degrees, BS in Pharmacy and Doctor of Pharmacy, from St. John's University. She subsequently completed an ASHP-accredited Pharmacy Practice Residency at Mount Sinai Medical Center in New York. She is also a Board-Certified Pharmacotherapy Specialist and a Board-Certified Geriatric Pharmacist.
