Speaker Bio:

Dr. Danielle Fixen is an Associate Professor at the University of Colorado Skaggs School of Pharmacy and serves as a geriatric clinical pharmacy specialist for the Seniors Clinic at the University of Colorado Health. This clinic is a primary care clinic for patients 75 years and older. She is involved in multiple clinical pharmacy services such as Transitional Care Management, Annual Wellness Visits, and chronic disease state management. Her areas of interest include cannabis use in older adults, transitional care management, and medication deprescribing.
