To participate and obtain CE credit, participants must complete the following steps:

How to obtain CE credit

1. Log on to <https://ce.continuumofcare.premierinc.com>
2. Click on the icon that corresponds to this Home-Study CE activity
3. Register for that Home-Study CE activity (**IMPORTANT**: make sure to choose the program that corresponds to your profession, i.e., a pharmacist or a pharmacy technician)
4. View and listen to the recorded activity in its entirety
5. Complete both the learning assessment questions and the activity evaluation.

Note: A passing grade of **70%** or better is required to receive CE credit. Three opportunities will be provided to successfully complete the post-test.

Premier, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This CE activity is provided as a free, value-added service to Premier Continuum of Care pharmacy staff.

Speaker Bio:

Dr. Danielle Fixen is an Associate Professor at the University of Colorado Skaggs School of Pharmacy and Pharmaceutical Sciences. In her clinical role, Dr. Fixen serves as a geriatric clinical pharmacy specialist at the Seniors Clinic within the University of Colorado Health system. This clinic provides primary care services to patients aged 75 and older. Her responsibilities include Transitional Care Management, conducting Annual Wellness Visits, and managing chronic disease states. Her research interests focus on cannabis use in older adults, transitional care management, and medication deprescribing.
