To participate and obtain CE credit, participants must complete the following steps:

How to obtain CE credit

1. Log on to <https://ce.continuumofcare.premierinc.com>
2. Click on the icon that corresponds to this Home-Study CE activity
3. Register for that Home-Study CE activity (**IMPORTANT**: make sure to choose the program that corresponds to your profession, i.e., a pharmacist or a pharmacy technician)
4. View and listen to the recorded activity in its entirety
5. Complete both the learning assessment questions and the activity evaluation.

Note: A passing grade of **70%** or better is required to receive CE credit. Three opportunities will be provided to successfully complete the post-test.

Premier, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This CE activity is provided as a free, value-added service to Premier Continuum of Care pharmacy staff.

Speaker Bio:

Paul Shelton has more than 16 years of experience across Long-Term Care, Community, and “Combo-Shop” pharmacies. After time at both Parata Systems and McKesson he founded PharmaComplete Consulting Services, where he and his team work diligently to support their customer pharmacies with anything from building new locations, to right sizing their Prime Vendor Agreements, to advocating for change in Washington. He recently co-founded the Long Term Care at Home Pharmacy Network, and has been advocating for the accurate use and implementation of and reimbursement for LTC@Home within both Closed Door and Combo-Shop pharmacies. Paul holds a Bachelor of Arts/History from the Virginia Polytechnic Institute and State University
